From

C.A. Ramakrishnan, Esq., I.C.S.,
Joint Secretary, Board of Revenue, Madras.

V.N. Kudwa, Esq., I.C.S.,
Commissioner of Land Revenue, Excise and Prohibition.

READ: G.O. No. Ms. 1947 Rev. dated 30-9-1944.

REFERENCE:

The Board submits that there is still a dearth of qualified men in all the districts. The Collectors have therefore included candidates who have not passed the Revenue test parts I and II to undergo Survey Training in the Schools just ordered to be opened. Consequently, 16 survey schools for the training of 448 Revenue Subordinates have to be oepened at the rate of 28 candidates to each school. Each of the 8 Circle Officers will have to conduct 2 survey schools consecutively. The Circle Officers of Anantapur and Chittoor are supervising the survey of several urgent items of work such as famine roads and if they are to be taken away for over 3 months to conduct these schools, the quality of workk turned out by the newly trained surveyors is bound to be affected. The other Circle Officers may not find it inconvenient to do the work and to supervise the schools also. The Board therefore requests that the Government may be pleased to sanction at an early date the appointment of two Special Inspectors of Survey and Land Records and two peons to work under them for a period of 3 months from the date of appointment. The scale of pay for Inspectors of Survey and Land Records will be Rs. 180-10-250 and for peons Rs.16-½-25. The Survey Schools in Bellary and Chittoor Districts will be opened only after the above Special staff is sanctioned.

Submitted to the Government.

2. In the circumstances stated by the Collector of Chingleput in his letter read above, the Board considers that a survey school should be held for training the candidates mentioned by him, in the interests of efficiency of work. The Revenue Secretariat also enquired of the Board whether it could suggest the names of some more candidates for the ensuing survey class. The Chief Secretariat and the Legal Department also have recommended one additional candidate. As there were already a sufficient number of candidates for all the schools ordered to be opened in the Board's Ref: F.No. 1446/48-8 dated 28-2-1949, the additional candidates from the above departments of Government could not be included. The Board considers that it may be possible to accommodate these candidates also in the school proposed to be opened for the Chingleput district clerks by reducing an equal number in the list of candidates relating to Chingleput.

3. The Board considers that for the reasons given in its Ref: F.1446/48-9 dated 28-2-1949, the Circle Officer, Chittoor, cannot be spared for holding this survey school also and that if the term of one of the two Special Inspectors of Survey and Land Records applied for in it is extended for 6 weeks more, he can supervise the additional school referred to in paragraph 2 above. It therefore requests that the Government may be pleased to sanction the appointment of one of the two Special Inspector of Survey and Land Records and one peon to work under him for a further period of 6 weeks. The sanction of the staff in all applied for, will thus be as shown below:-

(i) One Special Inspector of Survey and Land Records and one peon to work under him for 4 months and 12 days from the date of appointment in Chittoor circ--
(ii) One Special Inspector of Survey and Land Records and one peon to work under him for 3 months from the date of appointment.

Sub: SURVEY TRAINING - Revenue subordinates - Candidates who have passed either of the two parts of Revenue Test - Training - Requested.

With reference to Bord's Ref: No. F.1446/48 dated the 19th November 1948, I have reported in my Rc. 151-A-Pdl.48-45 dated 26th November 1948 that only one candidate from this ditrict is to be deputed for survey training in the next batch of schools. This candidate referred to in my above report has passed both the Parts (I and II) of Revenue Test.

2. In this district on account of the creation of too many temporary establishments for election work, textiles, civil supplies, well subsidy scheme and other special work, many of the survey trained candidates who have been working either as Revenue Inspectors or Clerks have been promoted either as Upper Division Clerks or Deputy Tahsildars with the result that there is a dearth of survey trained candidates for being posted in charge of firkas. The concession to train promising clerks who have not passed the Revenue Test Parts I and II in Revenue Surve permitted in G.O. 412 dated the 29th February 1944 has been extended upto the 31st March 1949 in G.O. 1103 Revenue dated the 8th May 1948. There are about 28 candidates, in this district who have passed either of the Parts in Revenue Test. I therefore request that a school may be ordered to be opened for training these 28 candidates in Revenue-Survey so that the difficulty to find survey trained men for Revenue Inspector's posts may be obviated. I request the favour of Board's early orders in the matter.
